EUFMC WRAPS UP A HIGHLY SUCCESSFUL 2021 CONFERENCE

A record number of attendees meet for educational sessions and networking opportunities, and to view utility fleet equipment and services exhibits

By any measure, the 2021 [Electric Utility Fleet Managers Conference](#), held on June 8-9 and 15-16, was a huge success. The virtual conference featured educational sessions, roundtables, exhibits of the latest utility fleet equipment and services, and networking opportunities for the large number of attendees.

EUFMC 2021 BY THE NUMBERS:

- 217 fleet professionals, including 128 first time attendees and 14 new companies
- 73 vendors
- 63 exhibitors
- 363 supplier representatives

“While the decision to hold EUFMC as a virtual conference in 2021 was necessary, the response by our sponsors, fleet professionals and suppliers was very gratifying,” said Jeffrey Schneider, EUFMC President and Manager of Transportation at Louisville Gas & Electric/Kentucky Utilities. “The 2021 conference delivered the educational and informational value to utility fleet professionals that is the hallmark of EUFMC. The Board of Directors thanks everyone for their participation and looks forward to seeing you in person in Colonial Williamsburg next year.”
