**WILLIAMSBURG, VA**

**CELEBRATING 70 YEARS**

## **EUFMC to Feature Legal Perspectives and Regulatory Updates**

Presenters are set for two of the most popular sessions held every year at [EUFMC](#) as part of the conference educational program.

Covering key Legal Perspectives for fleet managers at EUFMC will be John O. Radeck, Jr., a partner at the Hood Law Firm, LLC, who focuses on trucking/transportation, medical malpractice, products liability and premises liability. Radeck is a 2009 graduate of the Charleston School of Law and has been admitted to the State Bar of South Carolina and Massachusetts, and the United States District Court, District of South Carolina.

Providing a Fleet Regulatory Update at EUFMC focused on fleet-related electrification issues at the federal and state levels, other transportation policy issues and rulemaking activity at the Department of Transportation will be Michael Taylor, senior advisor at HillStaffer, a provider of legislative and regulatory services, and the Advocacy Lead for the NAFA Fleet Management Association. Taylor has over 30 years of experience in regulatory and legislative issues within the energy and transportation sectors.

Plans for the [70<sup>th</sup> anniversary EUFMC](#) include:

- [Driving Safety, Sustainability & Technical Expertise](#), the EUFMC educational program with a focus on finding solutions to fleet management challenges, featuring presentations by fleet executives, manufacturers and industry experts
- Roundtables where fleet representatives and suppliers exchange information and discuss mutual challenges, find solutions and develop best practices
- A Drive-Through utility equipment demonstration and an equipment show that is the site of more than 60 displays
- Special Activities, including tours, golf outings, events for spouses, and more. (Fees for golf are covered for fleet professionals attending the conference.)

Fleet professionals from electric utilities, electrical contractors, utility co-ops, tree care operations, municipalities, and telecoms, as well as representatives from manufacturers

and providers of vehicles, equipment, products and services for utility fleet operations, can register for the 2023 EUFMC at [EUFMC 2023 FLEET REGISTRATION](#).
