CELEBRATING 70 YEARS

EUFMC Educational Program Takes Shape

With a focus on finding solutions to fleet management challenges, the [EUFMC](#) educational program -- [Driving Safety, Sustainability & Technical Expertise](#) -- will feature presentations by fleet executives, manufacturers and industry experts. Topics being planned for the two-day General Session include:

- Fleet Safety
- ZEV Design, Acquisition, Planning and Testing
- Fleet Regulatory Update
- Navigating Fleet Supply Chain Disruptions
- Legal Perspectives
- PHEV Medium-Duty Vehicles
- Technician Training and Best Practices
- Telematics
- Tire Considerations and Benchmarking

EUFMC educational events also include Roundtables where fleet representatives and suppliers exchange information and discuss mutual challenges, find solutions and develop best practices.

Fleet Registration Continues to Grow

The record number of fleet registrations for EUFMC continues to grow as professionals from electric utilities, electrical contractors, utility co-ops, tree care operations, municipalities, and telecoms make plans to attend the conference. Already planning to attend are more than 135 fleet executives.

Registration information has been sent out by email for the invitation only event. Fleet attendees can register at: [EUFMC 2023 FLEET REGISTRATION](#)

Plans for the [70th anniversary EUFMC](#) include:

- A Drive-Through utility equipment demonstration and an equipment show that is the site of more than 60 displays
- Special Activities, including tours, golf outings, events for spouses, and more. (Fees for golf are covered for fleet professionals attending the conference.)
- Live music on Wednesday June 7th by Shane Smith & The Saints, a Texas-based group known for its high-energy live act with stunning four-part harmonies. The band, which appears courtesy of EUFMC Leadership Sponsor Freightliner, last performed at EUFMC in 2019.
