Safety and Leadership Expert Returns to EUFMC in 2025

Eric Kapitulik, founder of The Program, a provider of leadership development and team building services, will address EUFMC in 2025 as the Safety and Leadership speaker during the conference educational program. Kapitulik's presentation will build on his focus during the 2024 EUFMC on addressing breakdowns in fleet safety processes and procedures.

"World class cultures require the best people, achievable goals and standards, and a strong commitment to driving safety improvements through accountability and effective approaches to leadership," Kapitulik said. "We look forward to bringing our flagship program, Creating and Sustaining a World-Class Culture, to EUFMC again in 2025, and to helping develop great leaders and teams who drive fleet safety improvements."

A graduate of the United States Naval Academy, Kapitulik served in the U.S. Marine Corps for eight years as an Infantry Officer and a Special Operations Officer. After earning an MBA from the University of Chicago Graduate School of Business, he founded The Program, a team of professionals that teaches organizations how to develop world-class leaders and teams.
