

EUFMC UPDATE: Equipment Show Moves to a New Site in 2025

The [EUFMC](#) Equipment Show and Drive-Through demonstration will be held at a new site in 2025. The move was necessary because Colonial Williamsburg continues to enhance its properties and the previous conference equipment events location became unavailable.

The new location at the Busch Gardens Scotland parking lot on Route 60 in Williamsburg will feature more space with an enhanced exhibit layout. The larger facility also allows for the Equipment Show and Drive-Through to take place in one location. Lunch will be served on site.

There will be no individual parking available for EUFMC attendees at the Drive-Through and Equipment Show site. On Monday June 2nd, shuttles will run all day beginning at 6 a.m. from the Williamsburg Lodge and the Woodlands Hotel. Shuttles will also be provided from both hotels for vendor booth set up on Saturday May 31st and Sunday June 1st.

[Manufacturers and Suppliers](#) of vehicles, equipment, products, and services for utility fleet operations who will be exhibiting at EUFMC will receive more information about the new site in the show packet that will be distributed in the spring.
